Based on research of venues for the banquet it has been recommended that we follow through with Rothschild however in the future it appears that Bearden Banquet hall looks very appealing due to pricing and facility. Looking to change date to the 21st based on home game schedule. Discussion for someone to create a timeline or schedule for the banquet so we can stay on schedule.

Nikki moved to change meeting from banquet and Tracy seconded the motion. Membership meeting to go over financials will be scheduled for another time..

Debbie to organize a fundraising meeting for Friday 28th at 4:30 or 5:00

Gina mentioned Lulu wish list with the cost of admission a toy donation for some charitable organization. Can bring a trunk or we can go to the store.

Discussed the idea of serving alcohol with appetizers early as people view the auction items.

Talked about a form newsletter with quick notes once a month with small updates of upcoming events.

Renee and Tracy to be in charge of bulletin boards. Still working on getting covers.
